

Warranty Cards from Canadian Tire

Date Prepared: 12/14/15	Models Affected: 2012–2015 AFG bikes, ellipticals, and treadmills
----------------------------	--

Canadian Tire has distributed warranty cards which do not accurately reflect JHTNA's warranty policy. The cards state that product purchase entitles each customer to one free in-home service call.

New cards with revised information are being printed. Please refer to a product's owner's manual to confirm the correct warranty terms.
